Company: TALAT PLACEMENT HUB

Location: Kuwait City

Category: business-and-financial-operations

The ideal candidate is a highly organized, detail-oriented team player who will oversee the entire order process. You will review proposals, negotiate prices, select the best suppliers, analyze trends, follow up with placed orders, verify delivery, approve payment, and maintain necessary records.

Initial preparation and issuance of Request for Quotations (RFQs) for a wide range of commodities

Process modifications to terms and conditions of purchase agreements

Perform commercial analysis on suppliers to develop more efficient processes and cost-effective solutions
