Dean - School of Engineering

American International University -

American International University (AIU), Kuwait offers American style education, degrees, and majors to educate and serves the people of Kuwait as well as international students. The University provides high quality, relevant, and varied educational programs and opportunities for the intellectual, cultural, and personal growth of all members of its community. The University values its role as an educational leader that promotes individual development and improves the overall quality of life in a diverse community. It offers academic and professional programs, which lead to degrees from the associate through baccalaureate and masters.

The school of engineering offers degrees in civil engineering, computer science, electrical and computer engineering, industrial engineering, mechanical engineering and biomedical engineering. More programs at undergraduate and graduate levels may be offered in the future.

The Dean of the Engineering School is responsible for supervising all aspects of the school, including the following:

- Full time and adjunct faculty

- All degree programs within the school

- Course Scheduling

- Curriculum Development

Course and Degree Program Assessment

Website maintenance for the School

Searches for new and replacement positions

Budget for the School

Promotion of Research and Scholarship

Maintaining the Engineering Advisory Committee for the school

Have experience with the American institutional accreditation system and process as well as specialized accreditation systems such as ABET

The Dean reports to the Vice President for Academic Affairs and expected to sit in on all academic meetings and be involved in other bodies as appropriate. AIU is a developing university with very dynamic features, it is expected that the school dean will take part in the university development.

Minimum Qualifications

Doctoral degree in a relevant academic field from a reputable university

Documented record of administrative leadership experience

Minimum of six years of teaching and research at a higher education institute

Current academic rank of Professor/Associate Professor

Demonstrated record of collaborative decision-making

Have experience in a multicultural and multi-linguistic environment

Demonstrated experience with budget management

An entrepreneurial spirit.

About American International University:
