Company: SR International

Location: Kuwait

Category: production

URGENT REQUIREMENT FOR KOC GAS MAINTENANCE PROJECT -KUWAIT !!!!!

!!! LONG TERM –FREE FOOD & FREE ACCOMMODATION !!!

COMPANY – GULF SPIC

CLIENT INTERVIEW AT CHENNAI ON 14th/ FEBRUARY / 2024

Interview Venue: WILL INTIMATE YOU SHORTLY.

Instrumentation Engineer-III

Bachelor's degree in engineering (Instrumentation / Instrumentation & Controls / Electronics Engineering) with ten (10) years' experience in maintenance of Instruments & Control Systems and other Instrumentation equipment of Oil & Gas industry, with five (5) years in similar position and minimum one (1) year experience with computerized maintenance management System. Salary - KWD: 1,100/-

Planning Engineer-III

Bachelor's degree in mechanical engineering with eight (8) years' experience in the

maintenance of mechanical equipment in Oil & Gas facilities, with five (5) years in similar position and experience in machinery (static and rotating) preventive maintenance activities.

Salary -KWD: 1,100/-

Engineer (Reliability)-III

Bachelor's degree in engineering (Mechanical/Instrumentation/Chemical/Industrial) plus six (6) years' experience with six (6) years' experience in reliability maintenance of various aspects of rotating equipment such as gas turbines, compressors and pumps preferred in Oil & Gas facilities; including two (2) Years of reliability software (Reli soft, Medium, ALD Reliability etc..) hands on experience for performing Weibull analysis, Reliability Availability studies and life cycle analysis. Shall be expert in facilitation of Root Cause Failure Analysis (RCFA) and the provision of on the job training for operations, maintenance, and technical staff in the effective use of Electronic Business and Enterprises Asset Management System (E-BEAMS).

Salary - KWD: 1,100/-

Supervisor (Admin)

Bachelor's degree in administration (BBA) / Management (BBM) or equivalent with 10 Years Experience in Administration . Shall have proficiency in computerized Software and Company Standard Software in MS office , Prepare Reports & Memos, and Proficiency in Typing.

Salary - KWD: 825/-

Supervisor (Contract)

Diploma Engineering (or) Secondary School + 2 years Industrial Training Certificate with Ten (10) years' experience in handling contract administrative tasks in Oil & Gas sector with five (5) years' experience in preparation of tender / contracts and minimum two (2) years' experience with eBeams or equivalent computerized maintenance management system and shall have proficiency in computerized applications. Salary- KWD:825/-

Supervisor (Materials)

Bachelor's degree in mechanical engineering or equivalent with four (4) years' Techno-Commercial experience in Oil & Gas Industry material management of which at least one (1) year is site experience in maintenance, overhaul of plant, Gas Turbines, Gas Compressors, Pumps and other equipment of Oil & Gas industry or equivalent. Salary -KWD: 825/-

OR

Diploma in Mechanical Engineering or equivalent with eight (8) years' Techno-Commercial experience in Oil & Gas Industry material management of which at least two (2) years' is site experience in maintenance, overhaul of plant, Gas Turbines, Gas Compressors, Pumps, and other equipment of Oil & Gas industry or equivalent. Salary- KWD: 825/-

Supervisor (Mechanical)

Bachelor's degree in engineering (Mechanical) with five (5) years' experience as Supervisor in maintenance of Gas Turbines, Gas Compressors, Pumps, and other equipment of Oil & Gas industry. Salary - KWD:825/-

OR

Diploma in Engineering (Mechanical) with ten (10) years' experience as Supervisor in maintenance of Gas Turbines, Gas Compressors, Pumps and other equipment of Oil & Gas industry. Salary -KWD: 825/-

Supervisor (Turbo Compressor Overhaul)

Bachelor's degree in engineering (Mechanical) with five (5) years' experience OR Diploma in Engineering (Mechanical) plus ten (10) years' experience. Experience Required: in the major overhaul programmers, Preventive maintenance and breakdown maintenance of GE fame 5 Gas Turbines, GE PGT25 and Siemens SGT600 aero derivative Gas Turbines, multistage centrifugal gas compressors, reciprocating machines, Gas Engines, pumps, gear boxes, overhead cranes, Dry Gas Seals and other heavy rotating equipment, with the last three (3) years' in a similar position. Salary-KWD: 825/-

Supervisor (Instrumentation)

Bachelor's degree in engineering (Instrumentation / Instrumentation & Controls / Electronics)

with six (6) years' experience. Salary - KWD:825/-

OR

Diploma in Engineering (Instrumentation / Instruments & Controls / Electronics) with Ten (10) years' experience. Salary-KWD:825/-

OR

10th Std. plus two (2) years Industrial Trade Certificate (Instrumentation / Electronics) with 14 years' experience. Salary- KWD:825/- Experience Required: in maintenance of Instruments & Control Systems and other Instrumentation equipment in similar facilities of Oil & Gas industry, refinery, petrochemical process plant with five (5) as Senior Technician.

Supervisor (Electrical)

Bachelor's degree in engineering (Electrical) with five (5) Years experience. Salary - KWD:825/-

OR

Diploma in Engineering (Electrical) with ten (10) years' experience. Salary - KWD:825/- Experience Required: experience as Supervisor in maintenance of Gas Turbines, Gas Compressors, Pumps, and other electrical equipment of Oil & Gas industry

Supervisor (Planning)

Bachelor's degree in engineering (Mechanical) plus five (5) years' experience. Salary KWD: 825/-

OR

Diploma in Engineering (Mechanical) plus ten (10) years' experience. Salary- KWD: 825/- Experience Required: experience as Supervisor in planning the maintenance of Gas Turbines, Gas Compressors, Pumps and other equipment of Oil & Gas industry

Instrumentation Lead System Analyzer

Bachelor's degree in engineering (Instrumentation / Instrumentation & Controls / Electronics) with five (5) years' experience. Salary - KWD: 695/-

OR

Diploma in Engineering (Instrumentation / Instrumentation & Controls / Electronics) with nine (9) years' experience. Salary-KWD: 695/-

OR

10th Std. plus two (2) years Industrial Trade Certificate (Instrumentation / Electronics) with twelve (12) years' experience. Salary-KWD: 695/-. Experience Required: experience in installation, maintenance, repair of different types of analysers (online GC) and minimum one (1) year working experience with Computerized Maintenance Management System.

Senior Chargehand (Turbo Compressor Overhaul)

Diploma in Engineering (Mechanical) plus eight (8) years' experience in Oil field, Refinery, Petrochemical process plant etc. Have at least five (5) years' hands on experience in the installation, repair, and maintenance of GE fame 5 Gas Turbines, GE PGT25 and Siemens SGT600 aero derivative Gas Turbines, multistage centrifugal gas compressors, reciprocating machines, Gas Engines, pumps, gear boxes , overhead cranes, Dry Gas Seals and the like in a similar position. Salary - KWD: 620/-

Senior Foreman Electrical

Bachelor's degree in engineering (Electrical) plus five (5) years' experience. Salary - KWD: 620/-

OR

Diploma in Engineering (Electrical) / bachelor's degree in science or any other equivalent/relevant discipline, plus nine (9) years' experience. Salary - KWD: 620/-
Experience Required: experience as Sr. Foreman in planning the maintenance of equipment in Oil & Gas industry, Refinery, Petrochemical process plant. with Hands on experience minimum three (3) years in CMMS or ERP based Maintenance Management software, Preferably IBM Maximo V7.6

Senior Foreman Instrumentation

Bachelor's degree in engineering (Mechanical / Electrical / Instrumentation) plus five (5) years' experience. Salary-KWD: 620/-

Or

Diploma in Engineering (Mechanical/Electrical/Instrument) / bachelor's degree in science (or any other equivalent/relevant discipline, plus nine (9) years' experience. Salary-KWD:620/-
Experience Required: experience as Sr. Foreman in planning the maintenance of equipment's in Oil & Gas industry, Refinery, Petrochemical process plant. with Hands on experience minimum three (3) years in CMMS or ERP based Maintenance Management software, Preferably IBM Maximo V7.6

Senior Technician (Turbo Compressor Condition Monitoring)

Diploma in Engineering (Mechanical). Eight (8) years' experience in Oil & Gas industries in the field of equipment condition monitoring and maintenance of rotating equipment. Salary-KWD:580/-

Senior Technician (Vibration Monitoring)

Diploma in Engineering (Mechanical). Eight (8) years' experience in Oil & Gas industries in the field of vibration analysis of rotating equipment, Level II Vibration Certification. Salary-KWD:580/-

Senior Technical Assistant (Contracts)

Bachelor's Degree in any discipline plus Diploma in Computer applications and eight (8) years' experience. Salary -KWD: 605/- (OR)

Diploma in any discipline plus Diploma in Computer applications and ten (10) years' experience

Experience Required:

Experience in computerized applications, especially in Microsoft Office. Also, should have minimum four (4) years' experience in handling Contract administrative activities and contract correspondences, various reports as per Contractual requirement.

Senior Technical Assistant (Admin)

Bachelor's degree in administration or equivalent plus eight (8) years' experience. Salary - KWD: 605/- (OR)

Diploma in any discipline plus ten (10) years' experience. Salary-KWD: 605/- Experience Required: Experience in computerized applications especially in Microsoft Office and should have proficiency in typing. Also, should have minimum four (4) years' experience in handling administrative activities and correspondences, various reports etc.

Senior Technical Assistant (Materials)

Bachelor's Degree in any Science discipline plus Diploma in Computer applications and six (6) years' experience. Salary - KWD: 605/-

OR

Diploma in Engineering (Mechanical/Instrumentation/Electrical) plus two (2) years' experience. Salary - KWD: 605/- Experience Required: Techno-Commercial experience with proficiency in the use of computerized applications especially Microsoft Office & in the use of Inventory Management Systems like Maximo/SAP/e-Beams etc.

Senior Mechanical Technician

Diploma in Engineering (Mechanical) with six (6) years' experience. Salary- KWD: 580/-

OR

10th Std. plus two (2) years' Industrial trade Certificate with ten (10) years' experience. Salary-KWD:580/- Experience Required: Experience in maintenance service of Oil & Gas field, Refinery, Petrochemical process plant.

Senior Instrumentation Technician

Bachelor's degree in engineering (Instrumentation / Instruments & Controls / Electronics) with four (4) years' experience. Salary-KWD: 580/-

OR

Diploma in Engineering (Instrumentation / Instruments & Controls / Electronics) with eight (8) years' experience. Salary-KWD:580/-

OR

10th Std. plus two (2) years Industrial Trade Certificate (Instrumentation / Electronics) with twelve (12) years' experience. Salary - KWD: 580/- . Experience Required: experience in the maintenance of Instrument / Control Systems and other Instrumentation equipment in Oil & Gas production industry with five (5) as Senior Technician.

Senior Electrical Technician

Bachelor's degree in electrical engineering with four (4) years' experience. Salary-KWD: 580/-
OR

Diploma in Electrical Engineering with eight (8) years' experience. Salary-KWD: 580/-
OR

10th Std. plus two (2) years Industrial Trade Certificate in electrical with twelve (12) years' experience. Salary-KWD: 580/- Experience Required: Experience in the maintenance of electrical equipment in Oil & Gas production industry with five (5) as Electrical Technician.

Foreman (Scaffolding)

Diploma in Engineering (Civil / Mechanical)

Or

Higher Secondary Certificate plus two (2) year's Diploma or equivalent. Experience Required: Minimum six (6) years' experience in Oil & Gas / Petrochemical or refineries of which three (3) years in similar position. Salary- KWD: 550/-

Foreman (Mechanical)

Diploma in Engineering (Mechanical) or ITI trade equivalent with eight (8) years' experience as Foreman or equivalent in Oil field, Refinery, Petrochemical, process plant etc. five (5) years' hand-on experience in the Field of construction, operation & maintenance of cross-country pipelines in oil & Gas Services. Salary- KWD: 550/-

Technician (Turbo Compressor Condition Monitoring)

Diploma in Engineering (Mechanical) with five (5) years' experience in Oil & Gas industries in

the field of rotating equipment condition monitoring and maintenance of rotating equipment.

Salary-KWD: 440/-

Technician (Turbo Compressor Vibration Monitoring)

Diploma in Engineering (Mechanical) with five (5) years' experience in Oil & Gas industries in the field of vibration analysis of rotating equipment, Level II Vibration Certification. Salary-KWD: 440/-

Mechanical Technician (Turbo Compressor Overhaul)

Diploma in Engineering (Mechanical) plus four (4) years' experience. Salary-KWD: 440/-
OR

10th Std. plus two (2) years' Industrial trade Certificate, plus seven (7) years' experience.
Salary- KWD: 440/-

CONTRACT PERIOD : 2 years MUTUALLY RENEWABLE

NORMAL WORKING HOURS : 8 hrs / 6 Days per Week

OVERTIME : Applicable as per Site Requirement, BEYOND 8 hrs duty only. NOT APPLICABLE FOR ENGINEERS AND SUPERVISORS.

ANNUAL LEAVE : 30 days PAID LEAVE for every completed year of service. Vacation Tickets every 2 years.

MEDICAL FEE : By CANDIDATE (GAMCA Medical, no REFUND from Client or Agency)

TYPE OF RECRUITMENT : PAID

ANY OTHER TERMS : n/a

MODE OF INTERVIEW : Personal

INTERVIEW LOCATION : Vadodara, Mumbai, Chennai

INTERVIEW SCHEDULE : 2nd week of February 2024.

NOTE

Educational course shall be regular full time course from a reputed University / College.
Distance education / part time / online courses shall not be considered for academic qualification.

Regards,
