Industrial Engineering Faculty (Part-Time or Full-Time)

American International University - Kuwait City

for the 2024-2025 Academic year

American International University (AIU) is looking for dynamic and engaged Part-time or Full-time faculty members for its School of Engineering and Computing.

AIU invites applicants for Part-time or Full-time Faculty appointments with expertise in Industrial Engineering.

We welcome candidates who will diversify our curriculum and our faculty with regard to race, gender, and ethnicity.

Qualifications:

Master's or PhD degree in Industrial Engineering or related field

Excellent communication skills in English

Commitment to excellence in teaching and scholarship

Ability and willingness to work collaboratively with faculty from a variety of disciplines.

The ideal candidate is an innovative professional who leverages professional trends and technologies to deliver relevant classroom experiences. The successful candidate will be a leader and current, active member of the Industrial Engineering field. The successful candidate will be expected to teach courses in:

Systems Simulation

Digital Manufacturing and Design

Systems Engineering in Design

Cyber-Physical Industrial Application

Product Engineering

Operations Research

Work Design

Senior design projects.

The candidate will possess the ability to work effectively with individuals from diverse communities and cultures. The candidate will also be expected to develop research programs, supervise undergraduate students, and make contributions to both school and university service. Evidence of a strong commitment to both teaching and research is required.

Candidates should demonstrate a commitment to excellence in teaching at the undergraduate level related to their specific expertise within the professional Industrial Engineering curriculum. Also, we expect to play an active role in the leadership in undergraduate programs, curriculum development, mentoring, and start-ups. Applicants who diversify our curriculum and with experience enhancing equity, diversity, and inclusion in an educational environment are strongly encouraged to apply.

Experience:

Preference will be given to applicants with experience in teaching.

Language: English (Required)

Location: In-person in Kuwait

About American International University

AIU is a new institution of higher education in Kuwait whose first student cohort was admitted in fall 2019. It is a private, co-educational institution offering undergraduate degrees based on the American model of higher education, including a comprehensive general education curriculum. Through its educational and student services programming, the

University serves the intellectual, cultural, and personal growth of all members of its community. AIU offers degree programs in Engineering, Architecture, and Design, and Business Administration where the language of instruction is English.
