

Revit Modeler Technician

[Apply Now](#)

Company: Dar Hamed Zubaid & Mona AlBaghli Architects

Location: Kuwait City

Category: other-general

About Us:

Dar HZMB is a leading architectural and interior design firm committed to delivering exceptional projects that exceed client expectations. Specializing in residential and commercial design, we are dedicated to innovation and excellence in every aspect of our work. As we continue to grow, we are seeking a talented Senior Revit Technician to join our team.

Job Description:

We are looking for an experienced Senior Revit Technician with a minimum of 5 years of experience in architecture and interior design modeling. The successful candidate will be proficient in AutoCAD and Revit and will have a strong background in both residential and commercial design projects, with a focus on interior design development.

Responsibilities:

Utilize Revit to create detailed architectural and interior design models.

Collaborate with architects, interior designers, and other team members to develop design concepts and translate them into accurate digital models.

Ensure that all models meet established quality standards and adhere to project specifications.

Work on a variety of residential and commercial design projects, including interior design development.

Stay updated on industry trends and best practices in Revit and interior design modeling.

Requirements:

Minimum of 5 years of experience in the architecture and interior design field.

Proficiency in AutoCAD and Revit.

Strong background in residential and commercial design projects, with a focus on interior design development.

Bachelor's degree in architecture, engineering, or a related field.

Excellent communication and collaboration skills.

If you are a talented Senior Revit Technician with a passion for architecture and interior design, we encourage you to apply. We look forward to welcoming you to the Dar HZMB team!
