Company: CACI International Inc

Location: Kuwait

Category: other-general

Sr. All-Source Analyst - Regional SME
Job Category: Intelligence
Time Type: Full time
Minimum Clearance Required to Start: TS/SCI
Employee Type: Regular-Long Term
Assignment Percentage of Travel Required: Up to 100%
Type of Travel: Outside Continental US - Hazard* * *

More About the Role:

Perform analysis and reporting on measures of stability to include security, governance and development, and Human Terrain analysis.

Perform all-source intelligence analysis related to military actions, insurgent activities, economic and political activities, and threats to regional stability.

Research, develop, present, and publish all-source intelligence products at the tactical, operational, and strategic levels.

Provide input to multiple agencies of the national intelligence community requirements and objectives.

Conduct comprehensive research on complex topics and or countries.

Provide intelligence analysis related to counter-terrorism, HUMINT, SIGINT, CI, GEOINT, and OSINT, Iraq, Syria, ISIL, IRAN, Russia, Jordan, Southwest Asia and other countries with USCENTCOM AO in support of analytical intelligence production/targeting.

Research, develop, and present post-graduate level intelligence products at the operational

and strategic levels for senior leadership.

Analyze cultural, religious, political, geopolitical, military/social/behavioral science, perspectives on governance and development.

Assist with resolution on difficult and complex analytical problems.

Assist with the all-source analysis and production of various tailored intelligence products specifically focused on Threat Awareness, FP, and I&W, C-IED, COIN, and targeting while supplying analytical support for senior military leaders' decision making.

Attend informational, collaboration and intelligence meetings, VTCs and/or telecons as required.

Analyze, report, manage database, and dissemination of Intelligence reports & product development, analytical briefings and annexes.

Conduct comprehensive research on specific topics independently or as a part of a larger analytical effort focusing on current events and long-term trends that could impact the supported unit's mission.

Participate in analytical discussions.

Provide input to CGs daily Intelligence update book.

Provide input to the Daily Battle Update Assessment (BUA), Theater Update Assessment (TUA) and current Intelligence Assessments.

Enter finished intelligence products into intelligence reporting programs of record, to ensure data is readily available to the intelligence enterprise. Include a roll up of all uploaded products in the weekly activity report.
